

INITIAL APPEAL DOCUMENTS PACKAGE

Despite the fact that the initial appeal documents appear together in this package, they must be filed as separate documents with the court. Here are instructions for saving the forms included in this package as separate documents.

1. Make sure that you have the latest version of Adobe Acrobat or Adobe Acrobat Reader installed on your computer. You may download the latest version of Adobe Acrobat Reader from <http://get.adobe.com/reader>
2. Click the link to download the Initial Appeals Packet from our website:
http://www.ca10.uscourts.gov/downloads/2008_init_appeal.pdf
3. The document will either open in a new web browser window or be saved to your desktop. If the document was opened in a new web browser window, skip to Step 5.
4. If the document was saved to your computer, find the file in the location that you saved it and open it with Adobe Acrobat or Adobe Acrobat Reader.
5. Select the document you wish to save from the list in the left column.
6. From the toolbar, click the "Save" icon to reveal the "Save" menu.
7. Choose "Save File from Portfolio...". A dialog will prompt you for a location to save the file. Browse to the location you want to save the document in and choose "Save".
8. Repeat steps 5-7 for each additional document you want to save.
